All participants will have their points tabulated for Overall Series Standings.

We total the 5 highest point scores out of the 8 Series Races for each participant to determine Overall Series Standings.

NOTE: The **Brighton Stage Race** and the **Stony Creek Marathon XC** are each **DOUBLE POINTS** events.

For Overall Series scoring, ONLY ONE out of these two events will be counted as double points for each participant, the other (the lower finish out of these two events) will count as **SINGLE POINTS** towards Series Standings.

In the case of a tie in points within the top three places in any category, the first tie breaker is who beat who the most, and then, if needed, who beat who most recently. All points stay in the class in which they are earned.

It is required that you start at least 3 races in your Class/Category to be eligible for an Overall Series Award.

USAC MTB Annual License will be required to receive USAC STATE CHAMPION TITLE & MEDAL (Awarded to Top 3 places in each Class/Category, based on Overall Series Standings).

For participation in individual series events, ONLY Expert/Elite Classes require USAC-MTB Annual License, Sport and Beginner Classes DO NOT require USAC Licensing for participation.
