In the case of a tie in points within the top three places in any category, the first tie breaker is who beat who the most, and then, if needed, who beat who most recently. All points stay in the class in which they are earned.

It is required that you start at least 3 races in your Class/Category to be eligible for an Overall Series Award.

USACycling Annual License (may be NORBA or USCF) will be required to receive USCF STATE CHAMPION medal Awarded to Top 3 places in each Class/Category, based on Finish at the State Championship CX Race held at Stony Creek Park on December 4, 2005.

NOTE: *For individual series events, no License is required for participation in C Events.*

USACycling Annual or One-Day License is required in all other classes.
