All participants will have their points tabulated for Overall Series Standings.

We total the 4 highest point scores out of the 5 Series Races for each participant to determine Overall Series Standings.

In the case of a tie in points within the top three places in any category, the first tie breaker is who beat who the most, and then, if needed, who beat who most recently. All points stay in the class in which they are earned.

*It is required that you start at least 3 races in your Class/Category to be eligible for an Overall Series Award.*
