is located between Battle Creek and Kalamazoo, just east of Augusta on M-96. To reserve a campsite, please call Michigan State Park Reservations, 800-543-2937. State Park vehicle permits are required (\$6 / daily or \$24 / annual). **Note: Speed limit in park is strictly enforced!**

COURSE

Approximately 8.5 miles per loop, the race course is 50% single track. There are plenty of opportunities for passing in the open sections between the single track. You'll find it very scenic and enjoyable rolling through The Trenches, picking veggies in Granny's Garden and challenging the Amusement Park. The course is fast rain or shine. You will not find a better mountain biking facility in the area!!!

PRE-RIDE TIME LIMITED, come Saturday or early before the Elite race begins.

PARKING - Start/Finish area with ample close-up parking at Whitford Lake, same as last year.

GREAT GIFT GIVE AWAYS

At the race's conclusion, there will be the usual swag give aways. So stick around and win some great prizes.
